In the above-mentioned article, some of the author's duality of interest disclosures were inadvertently omitted from the manuscript. The complete disclosure statement should have read:

Duality of Interest

S.S. is a member of the American Gastroenterological Association Institute's council section for Obesity, Metabolism, and Nutrition, an advisory board member for the Association for Bariatric Endoscopy, and vice president of The Obesity Society's Bariatric Section. She is also currently a consultant for Obalon Therapeutics, Aspire Bariatrics, USGI Medical, and Spatz FGIA. In the past 12 months, she has performed contracted research through her institution for Aspire Bariatrics, Obalon Therapeutics, and Allurion Technologies. No other potential conflicts of interest relevant to this article were reported.
