

# **Erratum: Short-Term Outcomes for Veterans Receiving Basal Insulin, Metformin, and a Sulfonylurea Who Are Started on a Third Noninsulin Agent Versus Prandial Insulin. Diabetes Spectrum 2018;31:261–266 DOI: 10.2337/ds17-0068**

Andrew D. Santeusano and Monica M. Bowen

<https://doi.org/10.2337/ds18-er04>

In Table 2 on p. 263 of the article cited above, the authors inadvertently included positive instead of negative percentage changes in A1C for 1-year outcomes. The online version of this article has been updated to reflect this change.
